Thank you for the opportunity to quote on a professional battery portable PA system. This is what I would recommend.

Mipro MA505PA battery portable PA system with hand held wireless microphone
Stand for the above speaker
Protective transport cover for the above speaker

Total price \$2371.00

Extension speaker options

Wharfedale TitanX12P passive 12" extension speaker with stand and cable	\$429.00
or	
2 x TOA SC630 horn speakers with stand and cable	\$400.00

The Wharfedale speaker will sound more full than the horn speakers but the sound will not throw as far as what it would with the horn speakers. The horn speakers are optimised for speech and therefore will throw the sound a long way but won't sound as good for music.

Below is a link to the Mipro website for your perusal.

Prices include GST.

Prices are valid for 30 days.

Thanks you again and if you have any questions please don't hesitate to call.

To Whom It May Concern

Letter of Support

The Barellan Masters Games are pleased to provide a letter of support for the Barellan United Football Netball Clubs application for funds through Narrandera Shire Councils Financial Assistance Program.

We already have great facilities at the Sportsground but there is definitely a lack of seating. The funds will help to source some good quality seating that will not only be a benefit to the football and netball club but for all other groups that use the facilities; namely the Barellan Masters Games.

The last 10 years we have borrowed tables and chairs from the school, and while we are lucky to have access to these tables, it does require some heavy lifting and a couple vehicles with trailers. The provision of new seating will be most welcome and will save us some time and energy!

We are happy to endorse this project.

Yours sincerely

To Whom It May Concern,

I am writing this letter in support of the Narrandera Lizards Junior Rugby League Club. In the past they have always been very generous in allowing our school to borrow the clubs junior jumpers when our school required them for representative carnivals. Also, whenever we have NRL Clinics at our school a representative from the Jnr Rugby League Club is always present and willing to help and encourage the students.

I wish them the best of luck in their bid for funding.

Kind Regards,

Marie O'Brien

Dear Madam/Sir

This letter is supporting the Dixon Park preschool in their application to receive funding towards their community room at the preschool.

I currently use the room 2 days per week teaching Yoga. In the Yoga classes there is a variety of ages and demographics of people. There is also great representation of people from agricultural backgrounds mainly dry area farmers. Yoga classes provide all people with the opportunity to destress, stretch, and socialise with others, but with the worsening drought conditions in this shire the Yoga classes is very important to those people for their emotional and physical wellbeing.

The community room that I use at the preschool is provided by the agreeance of the preschool committee. It is a fântastic community space that needs updating and to provide more privacy for community usage.

I hope that the Preschool is successful in their application for funding and that Narrandera Shire Council can recognise the importance that this space is creating within the Narrandera Community.

Many Thanks

Sonya Spencer

Dear Sir/Madam,

I would like to offer my support for the application of proposed improvements to Narrandera Pre-School.

Murrumbidgee Local Health District in partnership with Narrandera Pre-School frequently use the facility and in particular the area that suggested improvements are being made, for vision screening assessment of all 4 year old children attending the facility.

The proposed improvements will improve usability of the facility and add to the privacy of each child whilst being screened, in particular allowing for multiple professionals to be attending the screening process and ultimately improving the service provided.

The improvement will be a valuable asset to the community and in particular enhance the partnership between organisations.

Sincerely,

Victoria Cuteri

SECTION A - ATTACHMENT

Narrandera Shire Council
Application for Financial Assistance
Financial Year 2020-2021

Name of Project:
Yarruwala Wiradjuri Cultural Festival 2020

Description of Project:
Yarruwala Wiradjuri Cultural Festival is a major event promoting the Wiradjuri Nation's living heritage and culture across the Western Riverina. It is scheduled to run alongside the historical premiere of the play by Andrea James titled *Sunshine Super Girl*, a story that celebrates the international achievement of Evonne Goolagong a proud woman of the Wiradjuri Nation. The actual festival is programmed as a wide-ranging event across the Western Riverina. Western Riverina Arts will be supporting initiatives in Narrandera, Leeton, Griffith and the Murrumbidgee, the LGA's that form its membership. The goals of the *Yarruwala Wiradjuri Cultural Festival* is bring together the whole community, no matter what background, to learn about, experience, immerse and celebrate Wiradjuri Culture in all its forms. A number of events are planned for Narrandera specifically and Western Riverina Arts is working with the Land Councils across the Riverina to achieve this.

Organisation's connection to the community:
As one of 14 Regional Arts Boards across NSW, Western Riverina Arts is a major arts conduit organisation in the region and aims to support the needs and culture of our communities, acting to ensure the vitality and sustainability of arts and culture.

Project Target Group:
Yarruwala Wiradjuri Cultural Festival is a wide-ranging festival that has not had a precedent in this area. Its Indigenous led programming across four shires will be targeted to many demographics including: Aboriginal Community, Women, Men, Young People, Seniors, Children, Ethnic Community. The Narrandera events are planned to have outcomes for: Aboriginal Community, Seniors, Young People, Women, Young Men.

What existing community assets will be enhanced by Council assisting this project?:
This is a significant public event that will have cultural outcomes aimed at all age groups in all demographics and across all community sectors creating connectivity, awareness, enhanced social skills, and an expanded knowledge base about the area's First Nations Community.

What existing community assets will be enhanced by Council assisting this project?:
The organisation will be able to facilitate greater event programming within Narrandera and with this support leap-frog this to support larger grant and funding requests to both the State and Federal Governments for future projects in the Narrandera shire.

What will be the benefits to the community by Council assisting this project?
The *Yarruwala Wiradjuri Cultural Festival* is a unique festival that is planned to be an ongoing event every few years and held across the four shires with the capacity to expand to other shires covering the Wiradjuri Nation. It will by nature attract tourism to the Shire.

Involvement by Council will kickstart the programming. Not only will Council benefit from being one of the first supporters of the Festival, but the event itself will support self-determined Indigenous income streams. Further, the festival will utilise Shire venues as the festival grows. This again creates a platform for the Indigenous Community to own and market culture for long-term income streams.

Are there any other partners associated with the Project?

Leeton and District Aboriginal Land Council

Griffith Local Aboriginal Land Council

Griffith City Council

Griffith Regional Theatre

Griffith Regional Art Gallery

Leeton Shire Council – New WCIC Exhibition Space

(other partners currently being approached TBA: NSW Aboriginal Land Council, Narrandera Local Aboriginal Land Council, Murrumbidgee Shire Council, The CAD Factory Leeton)

These partners will bring Indigenous-led content and programming, in-kind support, material support, funding, advocacy and promotional support.

What other cash or 'in-kind' contributions are being made by the organization to this project?

For the Narrandera specific programs, Western Riverina Arts is supplying both 'in-kind' support, requesting funding for the shire from outside sources, logistical support, marketing support and documentation/recording of events of the festival for long-term provenance and archiving. It will supply some cash elements.
