A photograph of a person riding a bicycle on a pump track. The person is wearing a white helmet, a dark t-shirt, and shorts. The pump track is made of concrete and has several mounds and dips. In the background, there are houses and a fence. The entire image has a green color overlay.

# 01. CONTEXT

## - SITE LOCATION

# SITE LOCATION

A person is riding a bicycle on a dirt pump track in a park setting. The track is a light-colored dirt path with several curves, bordered by a low stone wall. Large, mature trees with dense foliage are scattered throughout the scene, casting shadows on the ground. The background shows a grassy hillside and more trees under a bright sky. The overall atmosphere is peaceful and natural.
